

Position #: F0056

DEPARTMENT of ENGINEERING
Tenure-Track Faculty Position in Electrical/Electronic Engineering

DEPARTMENT DESCRIPTION

Norfolk State University is a Historically Black University located in the city of Norfolk, Virginia. The Norfolk State campus enrollment is approximately 6,000 students, and the campus has a rich tradition of undergraduate teaching and research. Norfolk State now features a growing focus on emerging areas in Science, Engineering and Technology, and the Department of Engineering has two bachelors program as Electrical/Electronics and Optical Engineering. Both programs are accredited by the Engineering Accreditation Commission of ABET. Currently, the Department also offers a master's degree program in Electronics Engineering, and the Engineering faculty support the Ph.D. degree in Materials Science and Engineering program.

JOB DESCRIPTION

The successful candidate will join a cohesive faculty group in Electrical/Electronics and Optical Engineering and be responsible for full participation in the management and oversight of education program offerings for the undergraduate program. Faculty responsibilities include the following: teaching of undergraduate courses in Electrical/Electronics and Optical Engineering; advising/mentoring undergraduate students; conduct funded research and mentoring graduate students; participation in departmental activities related to the future growth and direction of the Engineering program. For more information, candidates are encouraged to visit <https://www.nsu.edu/engineering>. Norfolk State is an Equal Opportunity Employer.

MINIMUM QUALIFICATIONS

The candidate must have a Ph.D degree in Electronics/Electrical or a very closely related field. Successful candidates must demonstrate their potential to teach Electrical Circuits, and their labs, Digital and Analog Electronics Networks, Power Engineering, Signal Processing, Machine Learning, Artificial Intelligence (AI), and Augmented Reality (AR) Systems. Applicants with an excellent record of accomplishment of teaching, researching, scholarly activity and mentoring in the areas mentioned above are strongly preferred.

How to Apply: Applicants should apply online at <http://www.nsu.edu/jobs/>. Required documentation includes a letter of interest outlining your qualifications and related experience, a statement of your teaching philosophy, a current curriculum vita, and three letters of reference. Questions about this position may be directed to Dr. Kyo D. Song, Chair, Department of Engineering, 700 Park Avenue, Norfolk, VA 23504, (757) 823-8105, ksong@nsu.edu.
