Bucknell University
Electrical and Computer Engineering
Visiting Faculty Position

The Department of Electrical and Computer Engineering at Bucknell University invites applications for a Visiting Assistant Professor (VAP) faculty position beginning in January 2016 through spring 2017. A VAP position at Bucknell is not an adjunct position; rather it is a salaried appointment with benefits and funds available for professional development activities. A VAP will teach six class-equivalents (labs count as half a class) over an academic year. The salary is highly competitive, and previous VAPs have used the year to strengthen their teaching portfolio while moving on to tenure-track positions. VAPs are considered full members of the Bucknell faculty. While the primary responsibilities are teaching, continued scholarship and collaboration is encouraged for VAPs. Candidates are expected to have a Ph.D. or be ABD in electrical or computer engineering or a closely related field.

Bucknell is a highly selective, predominantly undergraduate, private university with approximately 3600 students enrolled in the Colleges of Arts & Sciences and Engineering. The Department of Electrical & Computer Engineering is a collegial community of approximately ten tenured or tenure track-faculty who collaborate with colleagues across campus. The department has up-to-date undergraduate laboratory facilities. Bucknell University, an Equal Opportunity Employer, believes that students learn best in a diverse, inclusive community and is therefore committed to academic excellence through diversity in its faculty, staff, and students. Bucknell is a private, highly ranked, national liberal arts institution that also offers strong professional programs in engineering, business, education, and music.

Application Materials: Please include a cover letter indicating your interest in and qualifications for the position and a current CV. Statements of teaching and scholarly interests are optional.

Applications are only accepted through Interfolio ByCommittee.

Special Instructions to Applicants:
  1. Go to Interfolio By Committee at http://apply.interfolio.com/32709
  2. Click APPLY NOW (below the Application Instruction section).
  3. Follow directions to create a free Interfolio account (standard fee will not apply).

You may address questions about the position to ece@bucknell.edu.

Review of applications will begin on November 1st and continue until a pool of qualified applicants is identified.

About Bucknell -

Bucknell University is a private, highly ranked, national liberal arts institution that also offers strong professional programs in engineering, business, education, and music. Located in Central Pennsylvania along the Susquehanna River, Bucknell is nestled in the Borough of Lewisburg, an appealing Victorian-style town ranked as one of America's best small towns. Lewisburg and the surrounding region offer a unique combination of outdoor recreation opportunities, small-town charm, and appealing amenities such as restaurants, art galleries, an art deco theater, museums, and boutiques. In addition to the many cultural and athletic events offered by the University and the Borough, the surrounding region offers outstanding schools, medical facilities, and an affordable cost of living. For those who crave the city, Bucknell is within an easy three-hour drive to Philadelphia, New York, Baltimore, and Washington, D.C.

Bucknell University, an equal opportunity employer, believes that students learn best in a

diverse, inclusive community and is therefore committed to academic excellence through diversity in its faculty, staff, and students. We seek candidates who will be committed to Bucknell's efforts to create a climate that fosters the growth and development of a diverse student body. We welcome applications from members of groups that have been historically underrepresented in higher education.
