

The Department of Electrical and Computer Engineering at Oakland University (OU) invites applicants for a tenure-track faculty position in Robotics starting in Fall 2017. Preference will be given to applicants with expertise in robotics including autonomous robotics (ground, aerial, and marine), smart cars, human-robot interaction, biomedical or biomimetic

robotics, industrial robotics, advanced manufacturing, robotic systems control, and other areas.

Apply at: <http://jobs.oakland.edu/postings/9589>. Applicants must have an earned Ph.D. degree or nearing completion of their doctoral studies in Electrical Engineering or related fields. Research and teaching with commitment to excellence is required. The successful candidates will be expected to teach and develop undergraduate and graduate courses and laboratories, initiate and integrate strong research programs, direct graduate students, and attract external research funding.

*OU is a Ph.D. offering public institution located in southeastern Michigan at the intellectual center of the Automotive Industry, adjacent to the Oakland Technology Park, and within the Oakland County Automation Alley. OU offers an exemplary fringe benefit package. The ECE Department has 17 tenure track faculty members and a special instructor, and offers BSE, MS, and Ph.D. programs. For full consideration applications should be submitted by February 19, 2017. Review will continue until the position is filled. Oakland University is an Affirmative Action/Equal Opportunity Employer and encourages applications from women and minorities.*
