OAKLAND UNIVERSITY

The Department of Electrical and Computer Engineering at Oakland University (OU) invites applicants for two tenure-track faculty positions starting in Fall 2016. Applicants must have an earned Ph.D. degree or nearing completion of their doctoral studies in Electrical Engineering or related fields. Research and teaching with commitment to excellence is required.

The Department of Electrical and Computer Engineering at Oakland University (OU) invites applicants for an Assistant Professor tenure-track faculty position in Electrical Engineering starting in Fall 2016. Applications for Associate Professor will also be considered for exceptional candidates. Applicants must have an earned Ph.D. degree or nearing completion of their doctoral studies in Electrical Engineering or related fields. Research and teaching with commitment to excellence is required. Preference will be given to applicants with expertise in power engineering including smart-grids, renewable energy, energy conversion and storage, computational and experimental methods, power system protection, system dynamics, transmission and distribution, and other areas. The successful candidates will be expected to teach and develop undergraduate and graduate courses and laboratories, initiate and integrate strong research programs, direct graduate students, and attract external research funding.

OU is a Ph.D. offering public institution located in southeastern Michigan at the intellectual center of the Automotive Industry, adjacent to the Oakland Technology Park, and within the Oakland County Automation Alley. OU offers an exemplary fringe benefit package. The ECE Department has 17 tenure track faculty members and a special instructor, and offers BSE, MS, and Ph.D. programs.

The successful candidates will be expected to teach and develop undergraduate and graduate courses and laboratories, initiate and integrate strong research programs, direct graduate students, and attract external research funding. Interested applicants should submit a cover letter with a detailed curriculum vita, teaching statement, research statement, and the name, address, telephone number and email address of three references using our online application system at http://jobs.oakland.edu/postings/7070. If you have any questions, please contact Professor Darrin M. Hanna at dmhanna@oakland.edu. For full consideration applications should be submitted by March 10, 2016. Review will continue until the position is filled. Oakland University is an Affirmative Action/Equal Opportunity Employer and encourages applications from women and minorities.
