

**TENURE TRACK FACULTY POSITIONS IN COMPUTER ENGINEERING  
DEPARTMENT OF ELECTRICAL ENGINEERING  
ERIK JONSSON SCHOOL OF ENGINEERING AND COMPUTER SCIENCE  
THE UNIVERSITY OF TEXAS AT DALLAS**

The Erik Jonsson School of Engineering and Computer Science at The University of Texas at Dallas invites applications for faculty positions at the Assistant, Associate, or Full Professor level in Computer Engineering. The Electrical Engineering Department at UT Dallas has over 55 faculty members, approximately 550 EE and 350 CE undergraduate students, more than 700 EE and 100 CE graduate students and offers BS, MS, and PhD degrees in Electrical Engineering, Computer Engineering, and Telecommunications Engineering. Areas of research expertise include microelectronics, photonics, communications, signal processing, analog electronics, power and energy systems, biomedical devices and systems, telecommunications and wireless networks, and control. The Erik Jonsson School of Engineering and Computer Science is also home to the Texas Analog Center of Excellence.

Located in the center of one of the most dynamic economic and demographic regions of the nation, The University of Texas at Dallas is a young, dynamic research institution on the cutting edge of science, technology, medicine, business, and the arts. In recent years, the University's teaching mission has expanded, its external research funding has nearly doubled, its program offerings have grown, and its reputation has gained national recognition. The enrollment at UT Dallas has now grown to more than 24,000 students of which more than 6,350 are in ECS.

Qualified candidates must have a strong commitment to undergraduate and graduate education, and the potential to develop an externally funded research program. Candidates for positions at the Associate or Full Professor level must have an outstanding record of scholarly and professional achievements.

Review of applicants will begin immediately and will continue until the position(s) is/are filled. Indication of gender and ethnicity for affirmative action statistical purposes is requested as part of the application.

The University of Texas at Dallas is an Equal Opportunity / Affirmative Action Employer. UT Dallas strongly encourages applications from candidates who would enhance the diversity of the University's faculty.

To apply for this position, applicants should submit (a) their current curriculum vitae, (b) a letter of research and teaching interests and (c) letters of recommendation from (or the names and contact information for) at least three academic or professional references via the online application form at:
